JULIAN AND O'NEIL RUN NECK AND NECK

Fullington and Tracey Also Running So Close That Official Count May Be Necessary—Willis Leads Brown by 50,000—Davis Safe.

COLUMBUS, OHIO, AUGUST 12.—(Associated Press)—Stragglers return this morning rendered still more uncertain the outcome of the contest between W. A. Julian of Cincinnati, and Judge A. F. O'Neil, of Akron, for the Democratic nomination for United States Senator.

With 5594 precincts heard from out of the total of 6,000 in the state O'Neil was leading by only 299 votes. Early this morning he had a lead of 532. The race is so close that it probably will take the official count by the Secretary of State to determine the result.

The count now stands: Julian 59,951 votes; O'Neil 60,250.

The race between E. M. Fullington and Joseph P. Tracey, for the Republican nomination for state auditor also has settled down to a contest that may require the complete official returns to decide.

Fullington's lead of 1668 early this morning was wiped out by noon and Tracey assumed the lead by 150, due to the heavy vote cast for him in Scioto county, his home, which had not previously been tabulated.

With only approximately 300 precincts still missing former Mayor Harry L. Davis, of Cleveland continued to maintain a lead of 17,000 votes over former Congressman Ralph D. Cole, of Findlay, for the Republican nomination for governor.

Former Governor Frank B. Willis had a lead of 50,000 over Walter F. Brown, of Toledo, for the Republican nomination for United States Senator, on returns from 5,757 precincts.

Returns received this morning made no material change in the other contests.

ROOSEVELT SAYS G. O. P. CHARGES ARE HUMOROUS

Democratic Vice - Presidential Nominee in Western Tour Derides Charges Made

Says Republican Congress Made Eighty-seven Probes And Found Nothing.

(By Associated Press)
Kenosha, Wis., August 12.—Franklin D. Roosevelt, Democratic nominee for vice president, making the second speech of his western tour on Market Square here today, defended the Democratic administration's conduct of the war and assailed Republicans who have attacked the administration for "sinful squandering of the people's money."

"Any candidate or managers who at this early stage of the campaign," the nominee said, "are driven to the dic-

tionary to find new adjectives of general hate, gives away the weakness of their position. This morning, for instance, we find the Old Guard campaigners talking about 'Democratic mal-administration; sinful squandering, a saturnalia of extravagance, a cataclysm and a betrayal.' Luckily the American people generally have a sense of humor. They happen to know that this Republican Congress undertook 87 different investigations of the conduct of the war; that these investigations have cost more than \$3,000,000 and in spite of every kind of partisan effort not a single responsible official, Democrat or Republican, has been indicted for or found guilty of dishonesty or dishonorable conduct."

SAY BERGDOLL UNDER ARREST

(By Associated Press)
Oneonta, N. Y., August 12.—A young man who state troopers say answers the description of Grover Cleveland Bergdoll, the wealthy draft evader who escaped from the custody of the military authorities, was arrested by two troopers 10 miles west of here today. The suspect denied he was Bergdoll.

Class Distinction is Forgotten In Stand to Save Country From Extinction.

Countless Loads of Barbed Wire And Supplies Stream Toward Battlefront.

(By Associated Press.)

Warsaw, Poland, August 12.—Hundreds of conveyances of all descriptions, loaded with barbed wire and driven by boys and old men, are streaming through the Polish capital towards the battle front.

Mingled with them along the roads are endless trains of supply wagons, which are guarded by elderly civilians armed with rifles.

All able bodied men are being relieved from other duties, so that they may be made available in the fight for the defense of Warsaw. Women soldiers are hurrying from place to place, acting as couriers, and French Military Mission officers are showing extreme activity.

As the fighting front draws nearer Warsaw, squads of citizens, wearing their ordinary civilian clothing but armed with rifles, are drilling in many parts of the city.

As the determined looking groups pass through the streets, many boys in knickerbockers, elderly men and merchants are seen side by side with the more usual type of fighter in the ranks. Class distinctions are being forgotten or brushed aside.

Newspaper accounts of the preparations declare that the spirit of the people is to defend Warsaw, repel the invader and not to count the cost in blood.

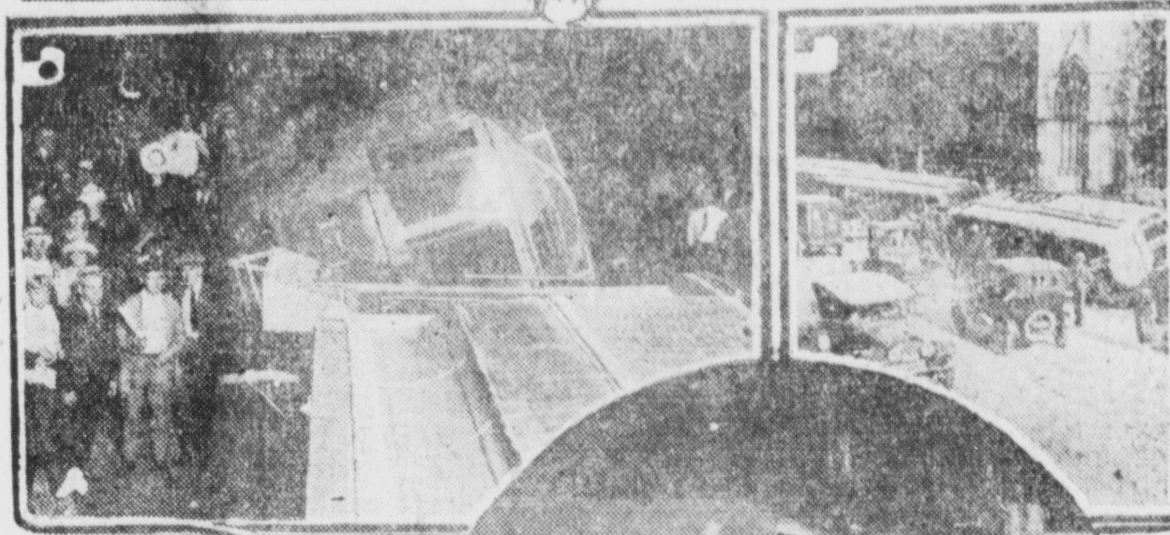

GREAT BATTLE NOW RAGING

Washington, August 12.—Because of the serious situation in Poland Hugh Gibson, American minister to that country, who has been home on leave of absence, will leave immediately for his post, it was announced today at the State Department.

OVERTURNING STREET CARS IS DIVERSION OF DENVER MOB

How Denver street car strikers wrecked cars.

Overturning street cars which the company attempted to run in spite of them was the favorite diversion of strikers in Denver. Many cars were thus wrecked, resulting in a loss of many thousands of dollars. The photo at the upper left was taken just after two cars had been overturned, and some of the men who accomplished this are shown. At the upper right overturned cars are seen in front of a church. When attacked by organized strikers, the strike breakers on these cars ran into the church pursued by the angry strikers bent on violence. Police intervened and saved the unhappy strike breakers. The lower picture shows crowds of sightseers who turned out to see the fun.

FORMER SURGEON GENERAL'S BODY REACHES PORT

Simplicity Marks Return Of General Gorgas' Body From England.

Casket Met by Brother And Draped in American Colors

(By Associated Press.)
New York, August 12.—Simplicity marked the return to this country today of the body of Major General William O. Gorgas, former Surgeon General of the United States Army, who died in London last month.

Borne back to home shores on the U. S. Transport Pocahontas the casket was met at Hoboken by a guard of honor from the Thirtieth Infantry, lowered to the pier, and carried through a line of army welfare workers.

Captain Richard H. Gorgas, the General's youngest brother, stepped forward and draped over the coffin an American flag. That ended the ceremony.

The casket was then taken on a ferry boat to New York and placed with a special committee at the Pennsylvania station to lie there in state until departure for Washington.

Campaign Headquarters Plan Series of Addresses at Various Points.

Expects to Make One Address In Farming Center

(By Associated Press.)
Marion, Ohio, August 12.—The dates and places for the limited number of campaign speeches to be made by Senator Harding away from Marion will be selected by Republican party leaders after a minute canvass of local conditions in all the various sections to which he has been invited to come, it was said today at Harding headquarters.

Although no definite speaking engagement in other cities had been arranged, one or more, it was said, might be determined on shortly. It has been suggested one of the most important of these addresses be delivered in an agricultural section of the country and be devoted to questions of special interest to farmers.

ASK M'GRAW FOR TESTIMONY

(By Associated Press)
New York, August 12.—John J. McGraw, manager of the New York Giants, was summoned to appear before District Attorney Edward Swann today to tell his version of a fight at the Lamb's Club last Sunday morning, which later resulted in serious injury to John C. Slavin, the actor. Mr. Slavin, who was found unconscious in front of McGraw's apartment Sunday morning, was said to be out of danger today by his physicians.

Warrant is Issued and United States Marshal Now Has "Wizard" in Tow.

(By Associated Press.)
Boston, Mass., August 12.—Chas. Ponzi today surrendered to the United States Marshal and a warrant for his arrest is being prepared. District Attorney Gallagher said that Ponzi had surrendered because he felt himself unable to carry out promises he had made for the redemption of his notes tomorrow.

OWES MILLIONS

Ponzi was later charged with using the mails to defraud. Attorney General Allen said that Ponzi's liabilities will run into the millions.

Ponzi issued the following statement after his arrest. "I had an agreement with the District Attorney to go tomorrow and meet my liabilities with cash. With the closing of The Hanover Trust Company and with other funds tied up I find myself unable to do so. I felt it my duty to tell him and ask him to detain me."

PONZI'S DEBT IS \$7,000,000

G. O. P. MEETING AT WHEELING

(By Associated Press)
Wheeling, W. Va., August 12.—Adoption of a platform and the nomination of a candidate for supreme court justice was the program of the day before the Republican state convention, which opened here today. The two subjects most freely discussed among delegates before the convention was called to order were the advisability of openly declaring in a platform against any form of the league of nations and the question of declaring for the repeal of existing primary election laws.

ONE REASON WHY LOWER CALIFORNIA GOVERNOR HATES TO QUIT

Casino at Tia Juana, Mexico, with American cars parked about it.

It is said the main reason why Governor Canto of Lower California is determined to fight the Mexican federal government rather than relinquish his office is that he is enjoying an immense revenue from American gamblers who are not allowed to operate on this side of the border. Tia Juana, which is in Lower California not far from San Diego, is a wide open town.

Here American who love to gamble go by thousands. The picture was taken when there was a normal crowd at the Tia Juana Casino.

BUSINESS MUST ADJUST

All other businesses must adjust themselves to the varying conditions. Is there any reason why a Building and Loan Company should fix an arbitrary method and stick to it?

That question more than two years ago led the Columbian Building and Loan Company to adopt a flexible basis. Its business depends primarily upon the money deposited with it for investment. When money earns more than the building and loan companies pay, deposits are withdrawn, loans must be refused and home owning becomes more difficult.

DIFFICULTY AVOIDED

But with our flexible plan that difficulty cannot arise. When the rate of interest should be 7% on mortgage loans, our plan permits us to collect it. Then we pay depositors 6% on their certificates.

Thus we keep and attract money for building purposes, while at the same time we increase the volume of our business.

EXPERIENCE PROVES IT

Nearly thirty years' experience has shown us we can operate and accumulate a good surplus on the one per cent difference. Why, then, should we be bound by tradition, see our depositors dissatisfied and cripple our usefulness to the community by paying depositors less than their money is really worth?

Isn't it better for all, and isn't the money safer, when we raise the interest rate on loans in order to raise the interest rate on deposits?

ANNOUNCEMENT TO FARMERS

In the death of Doctor O. D. Maddux the live stock industry of Fayette and adjoining counties has sustained a distinct loss.

Until such time as his place can be acceptably filled by an able man, I very much fear further losses may be sustained through inability to obtain proper Veterinary service; those now engaged in active practice here will render insofar as possible; but occasions will arise when it will not be humanly possible for these to attend all calls.

The live stock industry is our greatest industry and may it ever remain so; prompt and efficient Veterinary service is one of the essentials for its welfare and development.

While I have no desire to re-enter active general practice, but because of the facts mentioned, and because of my desire to promote in every way possible the farmers' best interests, permit me to here announce that until further notice, any one needing Veterinary service may call me at any and all times.

Remember, please, that I shall continue to make Swine practice my specialty; results of the past few years justify me in that procedure.

I have on hand, at all times, the best serum and bacterias that money can buy; and experience has taught the wisdom of my selections; however, I will use any particular brand the farmer may wish.

Respectfully,

NEIL B. JONES, V. S.,

ARE ON MOTORING TRIP ABOUT U. S.

Mr. and Mrs. W. D. McCaughley, formerly of Crooksville and Mt. Vernon, respectively, now located in Los Angeles, California, reached this city Thursday on a motoring trip which has already covered 6,000 miles and which is expected to cover some 8,000 additional miles before they return to Los Angeles, where Mr. McCaughley is instructor in the Los Angeles Military School, teaching in the winter and travelling during the summer months.

The McCaughleys are making the trip in a 1917 model Ford touring car and have camped each night at the roadside, doing their own cooking and taking their time on their long pleasure trip. They left Los Angeles a few days before the series of earthquakes started.

McCaughley states that in some of the western cities gasoline could not be obtained and it was necessary to carry an additional tank of gasoline to cover the intervening points.

AVIATORS HAVE GENUINE THRILL AT M'COOK FIELD

(By Associated Press)

Washington, August 12.—Army aviators have long ceased to get many thrills out of routine or even "stunt" flying. It is said, but an exception should be made in the case of two sergeants who recently set out to break the world's altitude record for a parachute jump at McCook field, Dayton, Ohio, according to an air service announcement. The men were Sergeants Strong B. Madan and Ralph Bottrell.

The sergeants without intimating the nature of their objective, took the air in a Le Pere two-seated plane with Madan as the pilot and Bottrell wearing a standard army parachute of the double-pack type. After flying for an hour the plane had reached an altitude of 20,600 feet and Sergeant Bottrell started to climb out of the cockpit to make the jump.

The release ring of his parachute, however, accidentally caught on the fuselage of the plane and the parachute opened prematurely, dragging the sergeant out over the tail of the machine. Bottrell's arm struck the rudder of the plane as he went by tearing some ligaments of his arm and ripping off the sleeve of his fur-lined flying coat. A strap of his harness at the same time caught the rudder and tore it from the plane. The parachute itself was damaged but opened as the sergeant cleared the machine and started on his long descent.

Sergeant Bottrell lost considerable blood from his injured arm during the drop, but made a safe landing in a plowed field and received medical attention in time to prevent any serious result from his injury.

Meantime, Sergeant Madan, in a rudderless airplane 20,600 feet in air was having troubles of his own. He finally found a position where he could maintain a straight flight by keeping the throttle in a certain position and tilting the plane with the ailerons. In this manner he glided down to within about 8,000 feet of earth where he managed to make a wide turn by juggling his throttle and aileron controls, straightened out and made a perfect landing without further damage to his machine.

RANDOM NOTES

SOCIAL : PERSONAL MENTION : CLUBS

The Ladies Aid Society of the Madison Mills M. E. Church met at the home of Mrs. Minnie Hopkins with Mrs. Florence Shobe assisting hostess. There were eighteen members present.

The program was in charge of Mrs. Ed Summers, Mrs. Ada Storts and Mrs. Ruth Hanna Hopkins.

The program consisted of a pretty recitation by Jean Summers; a paper on "When Mother Falls" by Mrs. Summers; a Mother Goose Rhyme by a tiny tot, Maurice Blaine Hopkins, Jr. A very funny dialogue "Going Somewhere" by Miss Alice Shuffelbarger and Helen Hanna. The Bible Study was conducted by Mrs. Ada Storts.

Delicious refreshments were served at the close of the meeting and the guests lingered in a social hour.

Two weddings of exceptional interest in both the Jeffersonville and Washington C. H. neighborhoods took place Wednesday morning, the young couple being close friends and each one acting as attendants for the other.

The two brides were Miss Corrinne Flax, daughter of Mr. and Mrs. J. W. Flax, of the Pleasant View neighborhood, and Miss Salana R. Straley, only daughter of Mr. R. E. Straley, of the same neighborhood, and the two bridegrooms, Mr. Lawrence Mawery, son of Mr. P. C. Mawery, of

near Jeffersonville, and Mr. Ray E. Fisher, son of Mr. and Mrs. Joseph C. Fisher, south of town.

Miss Flax and Mr. Mawery plighted their troth first at ten o'clock Wednesday morning, Rev. G. E. Groves, of the Church of Christ, performing the ceremony at the Y. M. C. A., while Miss Straley and Mr. Fisher were the witnesses.

The quartet then motored to Jeffersonville, where Miss Staley and Mr. Fisher were united in marriage by Rev. McKinnon of the M. P. Church. Miss Mary Fisher, sister of the bridegroom, and Mr. and Mrs. Homer Garringer were also in attendance.

The charming brides, similarly gowned with white georgette gowns, white gloves and shoes, afforded a striking contrast, Miss Flax is a pretty brunette, and Miss Staley a handsome blonde.

The four happy young people are now on a wedding trip to Russell's Point and other parts of northern Ohio, the whole hearted felicitations of a large number of family connections and a host of friends awaiting their return.

Both bridegrooms served their country with credit in the World War and both are progressive young farmers. Mr. Mawery enlisted in the First Gas regiment and Mr. Fisher was located at Ft. Meyer, Va., after leaving Camp Sherman.

Upon their return from the wedding trip Mr. and Mrs. Mawery will be temporarily with their parents going to housekeeping this fall on a farm in Northern Fayette.

Mr. Fisher who has been engaged in farming with his father, will operate the Staley farm next year and takes his bride in the spring to a home near that of her father at Pleasant View. Until then their time will be divided between the Fisher and Staley homes.

Mrs. Frank Salisbury Jackson entertained five tables of progressive bridge Wednesday afternoon with the charming hospitality which is characteristic of her always delightful affairs.

The handsome home, its spacious rooms and wide hall cool and inviting, provided admirable setting, with a profusion of garden flowers in tasteful arrangement. Especially effective were the big bowls of garden glow and black eyed Susans, and a

screen of sunflowers on the large porch.

At the close of a spirited game, in which Mrs. M. E. Hitchcock won the trophy, a lovely corsage bouquet, an elaborate two course collation was served.

Bud vases, in which blue and white delphinium and sweet peas were harmoniously blended, were extremely pretty in the center of the tables.

Mrs. Fred Sprenger, of Marion, O., Mrs. Jackson's guest, and the winsome little daughter Judith Ann, assisted in the hospitalities. Miss Harriet Rusk, Zanesville, was also an out of town guest.

Honoring her guest and room mate at Mt. Saint Joseph's Academy at Cincinnati, Miss Lenora Wright, of Chicago, Miss Elizabeth McDonald gave a very lovely "500" party Wednesday afternoon.

Five tables of "buds" engaged in a merry game, Mary Hanna Bliss winning the prize, a pretty corsage bouquet. A similar corsage was presented to the honor guest.

A delicious collation, exquisite in appointments, was served at the card tables. The center decorations were beautiful little glass baskets of purple asters and golden glow, the handles tied with lavender tulle bows. Lavender and yellow were the prevailing tints in the lunch and also in the tally cards. Golden glow was prettily used in decorating the rooms.

Assisting in the hospitalities were Miss Margaret McDonald and Jean Kathryn Michael.

The attractive young hostess was wearing pink georgette combined with baronette satin, and her guest a chic summer gown of rose organdy.

Out of town guests attending were Miss Dorothy Rogers, of Wilmington; Miss Marjorie Smith, of Akron; Miss Margaret Wertz, of Portsmouth.

Mrs. W. H. Icenhower gave a beautiful party Wednesday afternoon, honoring the seventh birthday of her daughter, Mabel.

Fourteen little playmates shared in a merry afternoon of games and contests, their delight culminating in the serving of ice cream, angel food cake and punch. There was a big imitation birthday cake, blazing with seven candles, from which each guest drew a gift.

A pink and white color scheme was featured in the decorations and in little favor baskets filled with candies.

The young hostess, looking very pretty in a white swiss frock, with pink sash, expressed her appreciation of a number of birthday gifts.

Mrs. Perry Walters and Mrs. Mary Tewart assisted Mrs. Icenhower.

The favored guests were Barbara Bush, Delores Thompson, Wanda Rummels, Margene Weyer, Edith Henry, Leontine Staubus, Ruth Watson, Mary Louise Maddux, Dorothy Steffy, Virginia Wilson, Virginia Crawford, Virginia Smith, Virginia Demerest.

The Norris Chapter U. D. of the Eastern Star of Springfield entertained several visiting chapters Wednesday including the local chapter. In all, nearly three hundred were in the party, and spent a very enjoyable day out at the Masonic Home grounds. The afternoon was given over to the inspection of the buildings, with the initiation of eleven candidates by the Norris Chapter, followed by a picnic supper in which the two hundred occupants of the home joined.

A musical program was presented on the porch, after the supper, and Mrs. Rose Waltz Norris, for whom the Springfield chapter was named, made a talk.

Motoring over from this county were: Mr. and Mrs. W. N. Hay, Mrs. George Hayes, Miss Stella West, Mr. and Mrs. E. L. Bush, Mrs. Mada Hughey, Mrs. George Inskip, Miss Clara Gross, Mr. and Mrs. O. W. Brown, Mr. and Mrs. Howard Engle, Mrs. Sherman Murray, Mr. and Mrs. Herbert Chapman, Mrs. Ella Blessing, Mrs. Louella Chapman, Mr. and Mrs. Glenn Rodgers, Miss Gertrude Veall, Miss Pearl Minton, Mrs. William Waddell, Mr. and Mrs. William H. Dial, Mr. and Mrs. John Dial, Miss Sallie Dahl, Mr. and Mrs. John Weade, Mrs. H. V. Johnson, Mr. and Mrs. Earl Johnson, Mrs. Charles E. Mark, and Mesdames Wallace Jones, Glenn Brock, George Mathews and Miss Frances Watkins of Jeffersonville.

The young women of the World Wide Guild of the First Baptist Church very hospitably entertained the women of the Missionary Society of the church Wednesday evening at the Willis home, corner Dayton and VanDeman avenue.

The party honored Mrs. C. R. Fer-

guson, one of the counsellors of the guild, who is moving to Iowa to make her future home, and Miss Lina Willis a member of the guild who leaves next week to sail for China, where she will be engaged in Y. W. C. A. work.

After the arrival of all the guests, fifty in number, the hostesses served a delicious two course supper, the women seated together on the lawn. A pretty color scheme of yellow was introduced in the menu and beautiful baskets of golden glow were used in decorating the veranda.

Miss Margaret DeWees, guild president, and the instigator of the party headed the receiving line of the hostesses and the honor guests.

The only shadow upon the delightful evening was the sincere regret felt by the women assembled in the loss involved in the going away of the two honor guests.

The W. F. M. S. of Grace Church held their regular meeting, and observed the forty-fifth anniversary of the society, Wednesday afternoon in the church parlors, with Mesdames Clara Harper, Geo. Hodson, H. E. Coffman, F. Christopher, C. A. Stafford, Amanda Doster and Rachel Darlington as hostesses.

The president, Mrs. Frank M. Kennedy, being absent, the meeting was in charge of the first vice president, Mrs. C. S. Haver, who also conducted the devotionals. Topic: "The Stewardship of Love."

Owing to the illness of Mrs. Will Hegler, program leader for the day, Mrs. C. A. Teeters directed an excellent program prepared by Mrs. Hegler. Topic: "Native Helpers," telling of their varied forms of service for Christ's Kingdom and eagerness to spread the Gospel. Mrs. Eph. Worthington, Mrs. Clara Harper, Mrs. Louella Chapman and Mrs. C. W. Sadders assisted with appropriate readings. Mrs. Nancy Roberts presented the Mystery Box; Mrs. G. W. Hodson conducted an interesting anniversary program and gave tribute to the first members of the society with a beautiful poem, suitable for the occasion.

Only three of the charter members are now living, and it was with regret that Mrs. W. W. Davies, the only one here, was ill and not able to be present. Enjoyable greetings from the other two, Mrs. Alice Reed of Minneapolis, Minn., and Mrs. Sue A. Rector of Benton Harbor, Mich., were read. Interesting comparisons of the growth of the society from the early days was given by Mrs. Nancy Roberts.

Delicious refreshments were served at the close of the meeting, and a delightful feature was the large birthday cake with the forty-five blazing candles, commemorating the anniversary of the society.

Mrs. Alice Parrett, Mrs. W. E. Holmes, Bess Cleveland, Clara Tway, Prof. W. W. Davies and Dr. W. E. Ireland were welcomed to the membership roll.

Mr. and Mrs. Ralph Nisley of the Sabina pike very pleasantly entertained the August meeting of the Seiden Grange, Tuesday evening.

There was a short business session, at which time arrangement for the Grange exhibit at the county fair, were completed. The question box with "Ohio" as the topic occupied the greater part of the meeting.

Musical added to the social pleasures, and the host and hostess served appetizing refreshments.

Mr. and Mrs. Fred Clemens will entertain the next meeting, September fourteenth.

Mr. and Mrs. A. T. Allison and daughter, Miss Irene, of Tulsa, Okla., who have been the guests of Mrs. Katherine Wissler and family, and Miss Helen Dixon, of this city, and other relatives and friends near Cooks Station and Mt. Sterling left for their home Wednesday evening. They were accompanied as far as Chicago by Miss Dixon, who will spend a week or ten days there; she will also visit her sister, Mrs. Roy Daley, of Bedford, Indiana.

Mrs. Vernon Jones of Springfield was the guest of Miss Florence Hidy and other friends in Jeffersonville Wednesday.

ROOSEVELT TALKS

(By Associated Press)

Chicago, August 11.—Franklin D. Roosevelt opened his campaign here tonight with the first address he has delivered since he accepted the nomination last Monday.

Before a crowd of 3000, he urged Republicans and independents to join the Democrats in support of the platform adopted at the San Francisco convention of the ticket there.

ARGENTINE HAS PROSPEROUS YEAR

(By Associated Press)

Buenos Aires, (By Mail).—Increased prosperity this year in comparison with 1919 is indicated by banking and railroad statistics of Argentina which have just been published. Official banking reports show that between May 31, 1919, and the same date this year deposits increased 21 percent, loans and discounts, 12 percent and balances on hand, 40 percent.

Of the 22,141 miles of railroads in the country only one group of 1,168 miles has failed to show increased aggregate receipts, according to a table compiled by the Review of the River Plate, showing conditions for the present year. The remaining lines have all had substantial increases. All railroads in Uruguay and Paraguay and all tram lines in Argentina have also shown increases.

FUNERAL SERVICES WILLIAM W. MORRIS

The funeral services of Mr. William W. Morris, held in the M. E. church of Bloomingburg, Wednesday afternoon, were very largely attended, a number of relatives and friends driving out from here to join with those of the long years of residence in Paint township in farewell tribute to a man held in high regard.

Rev. K. B. Alexander, of Grace M. E. church, had charge of the services, assisted by Rev. W. H. Mitchell, of Jeffersonville, a former pastor and old friend of Mr. Morris. Rev. Mitchell read the opening hymn "Lead Kindly Light," and offered prayer.

Rev. Alexander made a short talk, dwelling upon the Christian life as lived by Mr. Morris, and the comfort to those who are left to know their loved one is consigned into the care of Jesus Christ, the son of God, who has given to his children immortality. He brought the Bible's special message of consolation in heartfelt words, and read the hymn "Rock of Ages."

The committal service was held in the Bloomingburg cemetery, where all that was mortal was placed by the side of the wife and son, Herman Morris, in the family lot. The pallbearers were Messrs. Charles Wissler, David Wissler, Matthew J. Klever, Dr. David H. Rowe, William F. Jefferson, James Perill, Charles Lewis and Elmer Tracey.

There was a profusion of beautiful flowers from the family, relatives and friends.

Relatives who came from a distance for the services were:

Dr. and Mrs. Lisle Morton, of New Vienna; Mr. and Mrs. Curtis Thompson of East Monroe; Miss Lillian Morton of Blanchester; Mrs. Edgar Rowen of Chicago; Mr. and Mrs. John Baker of Westerville; Messrs. Willis Moomaw, John Moomaw, daughter Miss Venna and Mr. S. M. Mossbarger of South Salem.

JAMES DECLARES HE IS NOT GUILTY

Simmy James, occupying the lock-up at the police station, emphatically maintained to Chief of Police Moore and Mayor V. J. Dahl that he was not guilty of the charges of forgery placed against him.

In the preliminary hearing Wednesday afternoon he refused to have anything to say to the question whether he wished to be bound over to the grand jury or whether he desired to face trial before Mayor Dahl. The Mayor did the only thing left and set his hearing for Friday afternoon at two o'clock. All James would say was that he was not guilty.

Further questioning by the Chief later in the day failed to bring any further details to light and the accused man again declared that he was not guilty of the offense even when confronted with the checks.

For the past thirty days the forgeries had been causing furies in several of the city banks and the authorities have been working on the case.

In one instance a check was presented on a local man in one of the business houses which read nine cents but when the person cashing the check was told that it was for nine dollars the nine dollars was counted out.

Judge Joseph Hidy will represent the prosecution at the trial Friday afternoon.

Meanwhile the police are still following up clues and it is possible that other arrests for forgery may occur.

CHAUTAUQUA ENDS AT JEFFERSONVILLE

Combining five days of rare entertainment for the Jeffersonville community the Redpath Chautauqua which has been in session during the past week closed Thursday evening before one of the largest audiences of the series.

HILLERY AND FISHER SAY THEY ARE READY

John Fisher, heavyweight wrestler or Akron who was defeated by Ray Carpenter, of Lancaster, two straight falls Tuesday evening, is desirous of another match in this city and mentions that he would like a finish match with Tom Hillery, the local strong boy. Hillery when approached on the subject, says there is nothing standing in the way of a match and he very much prefers to meet the strong man of the rubber city.

It is possible that a local promoter may arrange terms between the two men.

PRESIDENT GOES RIDING IN OLD-FASHIONED VICTORIA

President Wilson recently created a sensation in Washington by going riding in an old-fashioned victoria, such as were used in the days of Lincoln and Grant. The president had always before taken his rides in an automobile, and his appearance behind horses may revive interest in driving.

GENERAL PRACTICE OF Veterinary Medicine

On and after August 15 I will enter into the General Practice of Veterinary Medicine and Surgery, and not devote my entire time to diseases of swine as previously announced.

All calls will receive prompt and courteous attention, regardless of who has done your Hog Cholera work.

Interstate Anti-Hog Cholera Serum and Hog Cholera Virus, the one with high protective power, will be used on all swine.

ANNUAL COUNTY FAIR WILL OPEN NEXT TUESDAY

One of the Greatest Fairs in Years is Expected and Provisions Are Being Made For Capacity Crowds.

Exhibition Buildings Have Been Improved and Enlarged For The Large Number of Entries.

Less than a week remains until the opening day of the Twentieth Annual Fayette County Fair, August 17, and final preparations are being looked after in every department by the various groups of men and women whose loyal co-operation has made possible the prospects for the greatest fair ever held in this county.

Special provisions are being made for parking purposes to take care of thousands of automobiles. Extra space will be allotted and every precaution will be taken to avoid congestion.

The largest crowds are expected because of the fact that last year was the record breaker and this year the interest is keener than usual. During late years the automobile has made it possible for hundreds from outside of the county to attend and these are expected to again swell the attendance this season.

Wear and tear on the exhibition buildings on the fair grounds was noted and carpenters have been busy during the past ten days patching roofs, installing new stock pens, and in general, putting the whole grounds in the best of shape.

It was noted that in order to care for some of the exhibits of stock which have been promised that additions have been made on some of the buildings. The fine hog department was one of those which was enlarged as interest in this feature of fair week is increasing and is one of the foremost attractions for Fayette county people.

Fair men have scored a direct hit in making the speed ring the best in recent years and also in offering purses equalled at only a few county fairs in Ohio.

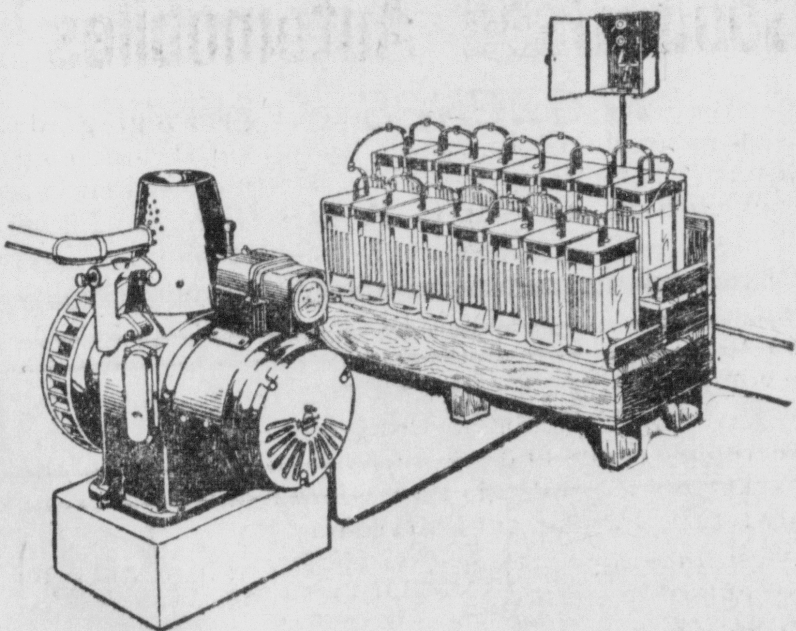

Wednesday, Thursday and Friday the program will consist of 3 races each day and with a purse of \$400 for each race.

LUCKY STRIKE cigarette—it's toasted. Lucky Strike tobacco—it's toasted. Both are toasted. You cannot get the remarkable and unusual flavor of toasted Burley tobacco in any other brand.

How is it that this toasting process preserves so successfully the original Burley flavor? Because it's sealed in.

Take the case of the bee and the honey. The bees have the right idea. To lock in that fragrant and delightful flavor of clover honey they put a thin coating of wax over the whole honey-comb.

You know yourself that honey can stand unbroken on a shelf for months or years, and be just as good when it's used.

And that's what happens with the Burley tobacco used in making Lucky Strike.

In each Burley leaf there are little pores like a sponge. In the heat of toasting these pores are sealed. The Burley flavor is there, inside.

When you light your Lucky Strike cigarette or your pipe full of Lucky Strike tobacco the heat releases the Burley flavor for your benefit.

A WONDERFUL HELP

At Two Stages of Life Lydia E. Pinkham's Vegetable Compound Made Mrs. Fairburn Strong And Well.

Chattanooga, Tenn.—"I used Lydia E. Pinkham's Vegetable Compound before my baby came when I could no longer keep up. It strengthened my back and relieved me of the dropsical effect which so often develops at such times. It helped me wonderfully. That was my first experience with the Vegetable Compound. Years afterwards I took it during the Change of Life and got along so well I scarcely ever had to lie down during the day and seldom had dizzy fainting spells. I am now well and strong, can do all my housework with perfect ease and it is a comfort to me to be able to say to other suffering women, 'Take Lydia E. Pinkham's medicine and be strong.' I will be glad to have you use my name if it will be the means of helping any one."—Mrs. R. A. FAIRBURN, 606 Orchard Knob Avenue, Chattanooga, Tenn.

For forty years this famous root and herb medicine has been pre-eminent successful in controlling the diseases of women. Merit alone could have stood this test of time.

WILL ENLARGE SCHOOL BUILDING

Showing building as it will appear when a large new addition is completed next year.

With the vote on the \$60,000 bond issue in the Bloomingburg school district standing at 145 yes and 113 no in the special school election at the polls Tuesday, citizens realized that the needed improvements for their school building is soon to become a reality and that facilities which have been sought by the Bloomingburg board of education will not be obtainable. The architect has already completed plans.

In consultation with Superintendent of the Rural and Village Schools of Fayette County, O. S. Nelson, at the court house, Wednesday, Frank Swope, president of the Bloomingburg School District Board of Education, announced that the heating plant of the building would be put in condition before the opening of school this fall but that the real improvement would probably be deferred until next spring.

All improvements which are to be made depend on the date when the bonds to the sum of \$60,000 are sold by the board. No time has been set for their sale.

GYPSIES OVERRUN MADISON CAPITAL

The police of London had their hands full Sunday, with an influx of gypsies who invaded the town with fourteen autos loaded with men, women and children. As is usual with this class the women scattered over the city seeking whatever they could pick up, beg or carry off. The women also indulged in their old tricks of going through the pockets of citizens with whom they were conversing. The reporter contributed all he possessed, a match to an old woman, certainly a hundred years old, who wanted to light her old clay pipe. Like all the rest, this old woman was dressed in the quaintest kind of gaudy calico, reinforced with string of beads, ear rings and all the paraphernalia in which the gypsy delights. Six of the women were locked up in the county jail, and after paying costs, the whole menage was conducted to the corporation line and commended to light out. They claimed to be on their way to Dayton.—London Democrat.

WILMINGTON HAS TROUBLE WITH GAS

Wilmington has been having more than her share of difficulty with gas, and as a result a great many of the gas users in that town are very much up in arms.

With no natural gas the town is using artificial gas and three days of the past eight days there has been no gas pressure.

G. N. Clapp, formerly of this city, who is head of the concern, has promised better service in view of a greatly increased rate recently announced for Wilmington gas users.

RESUME WORK

Resurfacing was resumed again on South Fayette street Thursday morning after workmen had worked far into the night Wednesday to repair the mixing plant which broke down at noon Wednesday and shut off the supply of asphalt during the remainder of the day.

Providing they had no further trouble with the plant, which has caused several recent delays, the company expected to complete the uptown streets by evening.

There is no promise of early peace in Mexico. The country is preparing to go dry.

50% More Mileage
In Boston, Green & Swett Co. watched the Miller records on some hundreds of large cars. They found that Miller increased the former tire mileage from 50% to 75%. They eliminated blow-out troubles. And only six tires in each 1,000 proved disappointing to the users.

\$1,000 Daily To Reduce Your Tire Cost

The Miller Tire mileage, now discussed everywhere, is not an accident.

Over \$1,000 daily is spent in tests and inspections. Fifty inspectors guard against defects.

Every lot of tread stock is first vulcanized and tested in the laboratory.

Over 1,000 tires yearly are worn out in factory mileage tests.

Every tire is signed by maker and inspector, and both are penalized if a tire falls down.

Highly-paid experts spend their years in making betterments.

Mark the results

The Miller Tire is now talked everywhere. It is today's sensation.

It is winning countless contests where a score of makes are brought into comparison.

In the factory tests—radical rear-wheel

tests—Miller cords last year averaged 15,000 miles.

The new Miller treads, in these tests, outwear the best of others by 25%.

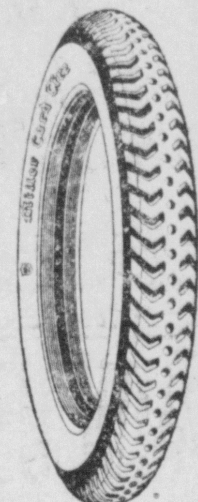

Defective Miller Tires are a rarity. Some large Miller dealers last year had not a single adjustment.

If you don't know these new-day tires you should find them out. They are saving millions of dollars to motorists.

Get one and watch it. It will give you new conceptions of a modern tire.
